Palma panoramic highlights, Soller valley and electric tram.

While you are in port in Palma de Mallorca, explore the best of this Island on this shore excursion. This sightseeing tour includes a half hour ride on the Sóller tram. Although it was designed for the transport of passengers, it was also used to transport merchandise down from Sóller to the port.

Your guide will also show you more of the Palma city's iconic sights from the bus in a panoramic drive through the city like Old renaissance walls the Gothic Quarter and Palma Cathedral as you pass by. This itinerary is half-day tour of four hours tailored especially to passengers arriving with the Norwegian Epic with limited time ashore. On this small-group tour, you'll receive personalized attention from your guide. We will board the tram at 16:00h and half hour later you will be in the port of Sóller to board the bus at 17:00h. ready to be on time back to the ship.

After you meet your guide at your ship we will drive through the city of Palma to countryside and mountains of Mallorca to get to charming village Sóller, capital of Tramuntana range of Mountains a UNESCO World Heritage Site.

In Sóller after a brief stop at Plaça de la Constitucion and past the modernist buildings of Church of San Bartolomeu and Banca de Sóller where you'll stroll through the narrow streets of medieval Europe. Then here we will board for a ride on the electric tram to the Port of Sóller.

Stop for a glass of cava (sparkling wine) and tapas tasting in a local restaurant by the sea water in the port of Sóller. From there, we will drive back to the Ship where your tour ends.
