

Palma highlights and historical Soller train

Palma highlights, Soller train, Deia, Valldemossa, Palma.

*This Full day excursion offers a complete panoramic tour of the main historical and cultural points of the Island. You will start by driving along the sea front and viewing the many beautiful buildings of the area, you will stop to see one of Mallorca's most important medieval monuments, the Bellver Castle, which stands on a hill and offers an astounding view of Palma and its port. Next will be a stop by Palma Cathedral on the way to Soller historical train railway station in Palma. Upon arrival to Soller we will explore this charming village before board in our coach and continue to costal road to Deia , stop at la Foradada in Son Marroig and then in Valldemossa for a short walk in the F. Chopin cell and surroundings of la Cartuja gardens and free time before a drive back to return to your ship.*
